

SAC Committee

Meeting Minutes

January 22, 2024

Attendees: Andrew McDonald, Jean Paquin, Theone Cooper, Susan Coleman, Mike Walhout, and Renée Minville.

Principal's Report (Jean Paquin)

- Thank you for a lovely Christmas Dinner and Show
- Plumbing emergency sent students home early last week. We have been reassured that the problem is understood and a permanent fix will be done this summer.
- Food Sharing donations are being delivered weekly. AIPS will be asked to consider how much is required. Possibly looking to ask local community organisations and members for funding for its continuation in future.
ACTION: Jean to set up a charitable account at the Board for AIPS for this program.
- Community skating rink is starting at Bath soon. Is this something that AIPS would be interested in doing next year?
- Report Cards will come home on Feb 16
- Free Field Trip for J/I students on Feb 1st. Marsha is a member of the Oneida Nation of the Thames. This is a very unique opportunity and important to learn about the many different ways that Indigenous peoples across Turtle Island are revitalising and sustaining their languages.

Teacher's Report

- Seniors looking to have their trip in Niagara Falls. Permission has not yet been requested. Fundraising activities (BBQ and car wash) have been discussed to raise required money to go.
- A trip to Springer Market Square for skating is being planned.
- Some of the seniors want a badminton team at AIPS. Nets will be needed.
- Annual spring trip is also being planned for Treetop Trekking in Brockville.

Treasurer's Report

- \$3298.72 total in accounts.
- \$652.89 in Milk account - will be a bit short to finish the year. Another request from a community organization will be needed.
- \$614 still remaining from renewable energy donation. Lighting for the yard sign still needs to be completed.

Old Business

- Painting did not happen during the Christmas break.
ACTION: Jean to get an update on when painters plan to get that done.
- Sheds for storage of the BBQ were looked at and one option selected to be purchased.
ACTION: Renée to purchase shed and submit receipt to Susan.

Meeting Adjourned.

Next meeting date: March 25, 2024 @ 6pm.
